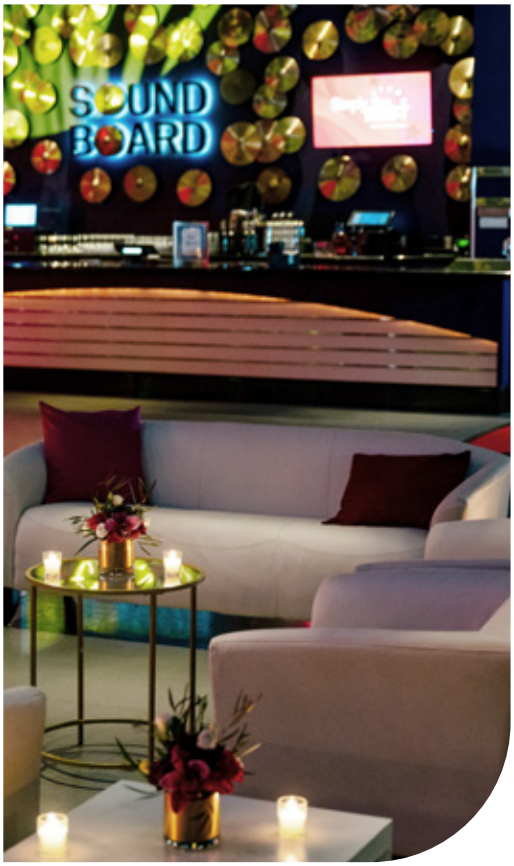
Staging Elevates Events

mager designs



Mager Designs has been dropping jaws and blowing minds with spectacular, creative staging design and implementation since 2011. As staging and design professionals, we've transformed countless venues into magical settings that impress, illuminate and inspire.

Driven by our imagination and applied creativity, we offer an amazing collection of furniture and other items for rent that lend elegance and authenticity to any event. In addition, our highly skilled craftsmen can design and fabricate any custom piece to make your event perfect!

Mager Designs rental items include Chairs, Backdrops, Furniture and more. We can also custom fabricate neon and other signage. Our highly creative floral department is known for creating fabulously beautiful arrangements, flower walls and much more.

We are delighted to work with businesses, event planners and non-profits to help you make your special event truly exceptional! Whether you need a few elegant furniture pieces or multiple chairs, bars or other items, we can help you elevate your event. For your convenience, all Mager Designs rental items can be delivered or picked up.
