Make Your Wedding

Unforgettable

mager designs

Mager Designs will creatively elevate your wedding day experience with a plan that brilliantly reflects your individual design concept.

As distinguished staging and design professionals, we've been creating spectacular wedding settings since 2011. We offer a huge collection of higher-end furniture, displays and lighting. We even design and fabricate custom elements and signage to make your day absolutely perfect.

YAY! You're Planning An Event

Relax & Trust We've Got It From Here

WEDDING DAY! Time to Party

Our team has years of experience, expertise and creativity to ensure a memorable wedding day. Start with an initial consultation where we'll gather to learn your ideas and preferences. Following that, we'll develop your unique plan and budget for approval. After we have your deposit, you can relax, knowing that it's our job to obsess over the details while keeping you informed at every step.

We would be delighted to work with you to make your special day truly exceptional!
